## The Schlegels Continue to Lead Country Day in Changing Times.

Society and our American culture have been changing rapidly during the last few years. Dr. Richard A. Schlegel, President and Headmaster of Detroit Country Day School, and his wife, Margot, have been instrumental in expanding our facilities to keep up with our student's needs and our community's needs. This year, three newly constructed facilities were fully implemented. Our new gymnasium commenced its first full year of use successfully. Our new flagpole plaza and stadium have both been used with great enjoyment by students, faculty, alumni and the rest of our DCDS family. Dr. and Mrs. Schlegel have led the way in raising funds and gathering support for all of these new facilities.

The Headmaster's responsibilities are demanding, but he never loses touch with his students. His open-door policy permits students to come into his office during their free periods to discuss the problems of growing up in a changing world. He teaches a social issues class that provides another opportunity for an exchange of ideas and a learning experience for both him and our seniors.

Dr. Schlegel's broad scope of interests encompass not only today's students but continues with our alumni. Contacts are maintained through Alumni Day, impromptu and planned gatherings, fine arts, and sports events. Many out-of-town alumni maintain their friendships with the Schlegels through correspondence that keeps them aware of happenings in their lives. Dr. Schlegel is more than a respected administrator; he and Margot are two who show their love and care to their Detroit Country Day School family by meeting the challenge that surrounds them in our "changing times."

## The Board of Trustees 1982-3

Front Row (L-R): Anne Thompson (Secretary), Richard Schlegel (President), Joan Keller (Chairman), Anthony Buesser, Irving Goldberg. Back Row (L-R): Paul Borman, James Heller, Joseph Jacobson, Clayton Gordon, Oliver Marcotte, Edward Cherney. Missing: Paul Conway (Vice-Chairman and Treasurer), Richard O'Connor, Keith Curtis, Clifford Higgins, Nancy Sellers.

Mr. Anthony C. Buesser '48, who has served on the DCDS Board of Trustees for a total of 13 years, completed his four year tenure as Chairman in September 1982. During this period of time, Mr. Buesser contributed skillful, dedicated and dynamic leadership to the board. September 1978 through June 1982, a time of dramatic growth and development for our school, included increased enrollment, establishment of co-education in the Middle and Upper Schools, inauguration of the International Baccalaureate program, addition of the 2 story art, music and science wing, purchase of the Village Campus, and completion of the 2 million dollar gymnasium complex.

His two sons Andrew and Anthony Junior graduated from DCDS in 1974. Mr. Buesser will remain on the Executive Committee of the Board of Trustees as Chairman of the nominating and legal committees. Joan (Mrs. Charles E.) Keller assumed the responsibility as Chairman of the Board in September 1982. She has been an enthusiastic board participant for the last 8 years; most recently she was Secretary and a member of the Executive Committee.

A graduate of the University of Michigan and former elementary school teacher, she has contributed importantly to almost every fund raising activity and special project the school has scheduled during the time of her association with Country Day. In addition she has been very active in such community services as Director of the Birmingham Community House, Vice-President of Women for United Way, and Trustee of the Rehabilitation Institute of Detroit. Joan and her attorney husband Charles have a son, Charles Jr '79, and daughter, Katherine '76, who are both alumni of Country Day.

The entire DCD Board contributes expertise, experience, and time that is not always readily visible to the Country Day family. It is, however, an incalculable input that endures the future success of our school.

## Food Service Staff

Few people realize the staggering statistics the staff deals with from day to day. Start with 1300 meals in three different locations, athletic banquets, special affairs, tea for daily meetings of all sorts of organizations like the Mothers' Association, and then add sack lunches for field trips, Saturday testing snacks, spaghetti dinners, and help with the concession stands. Don't forget that with all the details of these events, the tons of food that must be inspected and correctly handled and moved around; our Food Service Staff is friendly and helpful to all. Our collective hats are off to you; please take your well deserved bow!!

Events are common at Country Day, there is always something going on somewhere. Academic departments sponsor speakers or take field trips all over the country; the moms have programs ranging from fashion shows to important speakers. Student Council always sponsors programs of interest to the entire campus, and the Art Department has had speakers and artists demonstrating their work all year. Campus was always busy at one corner or another with all the activities, including: Three International Dinners, Collection speakers, political figures, athletes of great merit parting with a few secrets and Olympic dancers are but a few of the special programs and events.

Right: Mr. Robert H. Flint addressed the entire student and faculty assembly at the dedication of the Edgar B. Flint Memorial Flag Plaza, presented to the school in honor of Edgar B. Flint, an alumnus. Top Right: Indian dancers thrilled the audience with new and exotic dances of life, and religion which the students had never seen before.

Top Left: Upper School drama students presented a skit on the symposium topic "Pressure." This highly successful day was divided into segments including special speakers, group sessions, discussions, and other varied activities.

Top Right: State Representative Mrs. Ruth MacNamee visited campus to discuss the role of women in contemporary society. Above Left: Reverend Tommie Butler presented a stirring and memorable speech honoring the birthday of Dr. Martin Luther King. Above Right: The students were asked to join hands in Reverend Butler's collection. Left: Somehow the auction committee comes up with interesting wheels every year for some lucky bidder!

On October 2, 1982, students, faculty, and friends gathered to enjoy a day of leisure and excitement. Varsity Soccer played against the Alumni and lost. Varsity Field Hockey tied the Alumni in a game. The Varsity Football Team defeated rival Liggett decisively. This was the highlight of the day. During halftime the Homecoming Court was escorted by the Soccer captains onto the football field. The queen, Marinita Timban, and king, Tony Volpe, were crowned. That evening, students, alumni, and friends enjoyed the fall Homecoming dance sponsored by the Junior Class.

On October fourth, the entire Upper School participated in Country Day's Annual Field Day competition. Sponsored by the Student Council, Field Day allows Country Day students to compete in a non-academic manner and foster class spirit. As the final tallies came in, the Juniors came out on top with the Seniors being forced to accept second place. The Freshmen took third and the Sophomores last. Among some of the competitions were the second annual Bucket Brigade, the Human Cluster, and the Pyramid. During the ever-so-popular Pie-Eating Contest, the contestants realized that the delicious cherries were combined with chicken pie on the bottom. A good time was had by all.

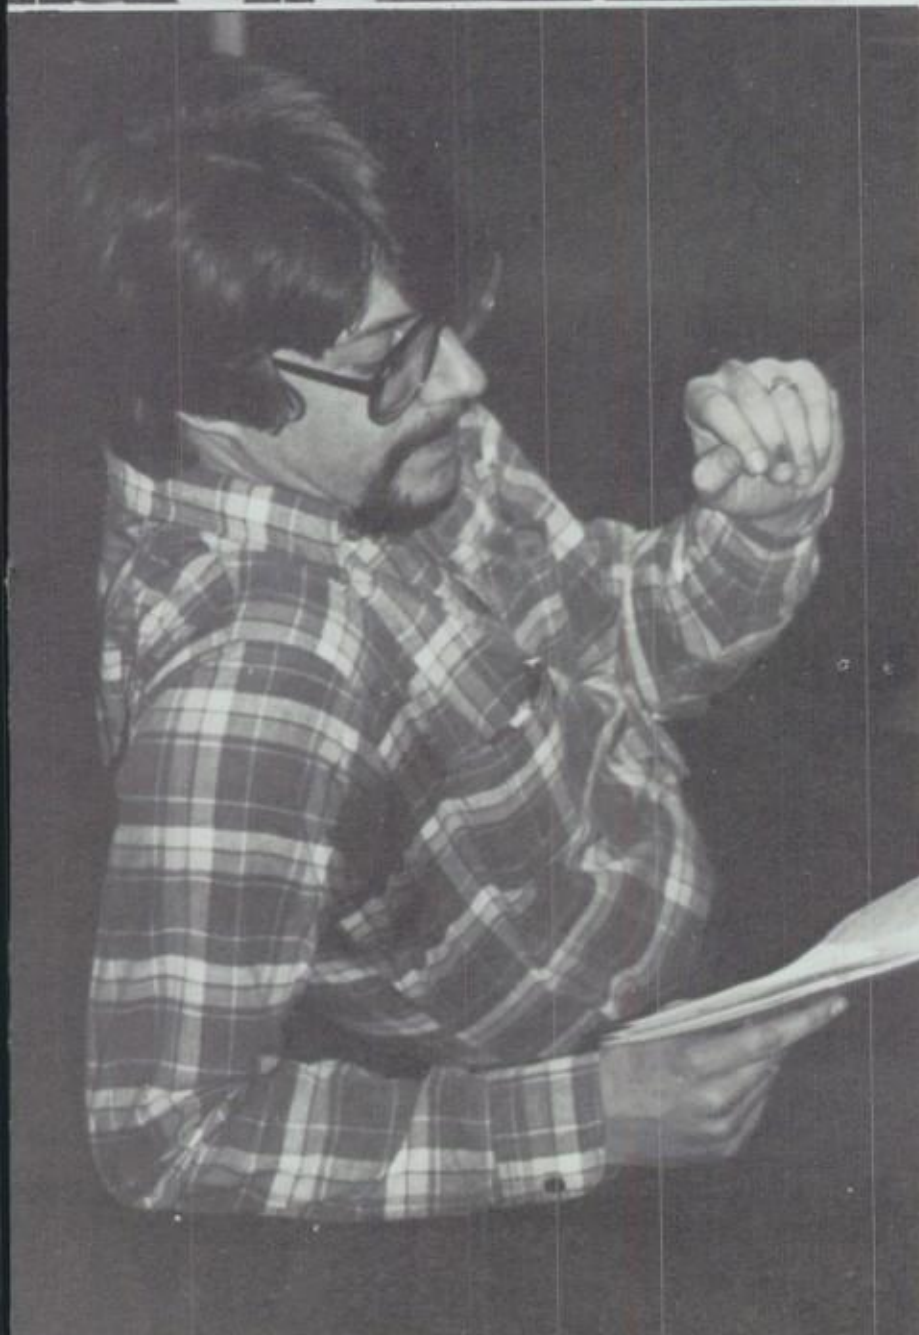

# drama

This year the Drama department, under the direction of Mr. Fremuth, had their most successful year to date. Three productions were presented this year: The late Tennessee Williams' *The Glass Menagerie*, and in a comedic double bill, Thornton Wilder's *Infancy* and Woody Allen's *Death. The Glass Menagerie*, a dark piece about a man's need for independence from his family, boasted strong performances from all. Thornton Wilder's *Infancy* showed the sometimes infantile behavior of adults contrasting with their precocious children. In *Death Kleinman*, neurotically played by newcomer Keith Fenton, is dragged from his house in the middle of the night by a group of vigilantes.

Above Clockwise: Steve Grant and Betsy Thomas dine by candlelight. Betsy emotes. Steve loves candlelight. Rob Bial checks his lines. Brenda Matthews contemplates the situation.

# H. M. S. PINAFORE

## Cast Sails Through

SMASHING! Playwrites Gilbert & Sullivan would have been proud of our upper school production of their musical *H. M. S. Pinafore* in April. Outstanding performances by the leads including Tommie James as Sir Joseph, Michelle Gatmatian as Josephine, Adil Al-Shabkhoun as the Captain, Shui-Che-Lim as "Rāfe", Steve Greenspan as Dick Deadeye, Molly Shanahan as Hebe, and Anna Mathew as the irrepressible Buttercup.

Middle & upper School students were directed by Mr. Oliphant, produced by Mrs. Coleman, and choreographed by Mrs. Uzelac. Music for the entire production was prepared by Mrs. Gower.

The stage was one of the most creative on record as were the very colorful costumes and props. The basic red, white, and blue theme made the elaborate costumes stand out on the multilevel stage set.

*H.M.S. Pinafore* was first produced in 1879 and has remained universally popular ever since. The D.C.D.S. production was very well received by the audience of friends, classmates, family, and community members. Carry on, mates!

Opposite page top: The entire cast takes a well deserved bow. Bottom Left: Anna Mathew as Buttercup delighted the audience. Bottom Center; Director Mr. Oliphant, Producer Mrs. Coleman, and Choreographer Mrs. Uzelac in costume. Left: Lisa Murphy was a member of the very successful orchestra. Left Below: Members of the crew delighted the audience with their harmony.

Clockwise from top left: Tommie James as Sir Joseph and Larry Grey as a member of the crew were in fine voice from the production. Adil Al-Shabkhoun as the captain reviewed the crew in the first scene of the show. Center: Cans and Cans of paint were used in touching up the beautiful sets. Bottom: Members of the cast, Kira Lewis, Ted Pulling, Nora Villamin, Sue Marcotte, and Dawn Vassel.

# instrumental music

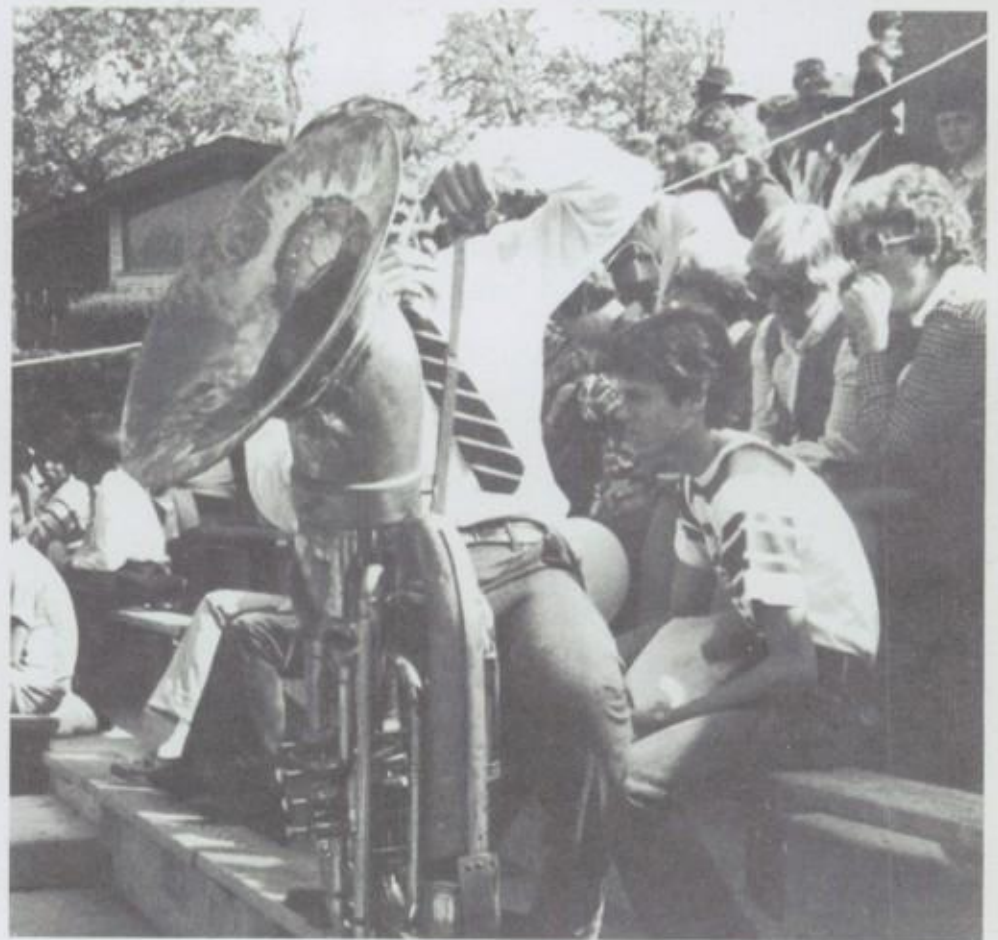

Instrumental music includes everything from the triangle to the grand piano! Students in the band and orchestra spend classtime practicing as a group and their extra periods and home practice time working on their individual performance quality. This year the musical groups played at various malls and public and private institutions including Somerset Mall, the Detroit Renaissance Hotel complex, Birmingham Rotary; they offered special holiday performances as well. Yes, they were busy!

Above: Mr. Oliphant directs the musicians with firm grace, always demanding their best. Above Right: Koset Surakomol has a storage problem . . . new locker please. Far Right: Greg Brown waits to wail on the horn. Right: Students let the opposition know the 'Day' is behind its team all the way!

Top Right: The horn section lets 'em have it. Left: Donna Greenbury gives her best in practice and performances. Above: Dan Amdsen's tuba needs a seat all for itself. Above Left: Mr. Oliphant conducts the orchestra in a special holiday performance.

# vocal music

## Vocal Music Takes a Bow . . . Bravo!

Something special happened in the Music Department this year. The voices all came together in a way that only well-practiced singers can accomplish.

That special something has really been a special someone, Mrs. Kerry Gower. Demanding punctuality and demanding her students' practice time like a football coach helped to make the year one of the most interesting and successful for vocal music in our history.

Many off-campus singing engagements and special on-campus programs encouraged enjoyment and participation. BRAVO . . . BRAVO!!

# art club

The Art Club was busy as ever during the fall term, preparing the Annual Desk Calendar. The club has worked to increase sales each year and was quite pleased to have calendar orders from New York, California, Cincinnati, and Florida. The Ewers and the Casins made sure we covered Germany and France!

President and Mrs. Reagan received a half dozen calendars for the White House, and in turn the Club received a photo and a letter from the President and Mrs. Reagan.

Several visiting artists were sponsored by the club: Mr. Jay Holland, a noted American sculptor; Mrs. Diane Matthews, who is noted for her brass rubbings; Mrs. Cariann Nocera, a noted sculptural jeweler; Mr. Robert Vigiletti, a well-known photographer; Ms. Cara Weatherby, a painter; and Ms. Amy Kahn, a portrait photographer.

The Club added several books to the art section of the library and framed a student work to beautify the campus.

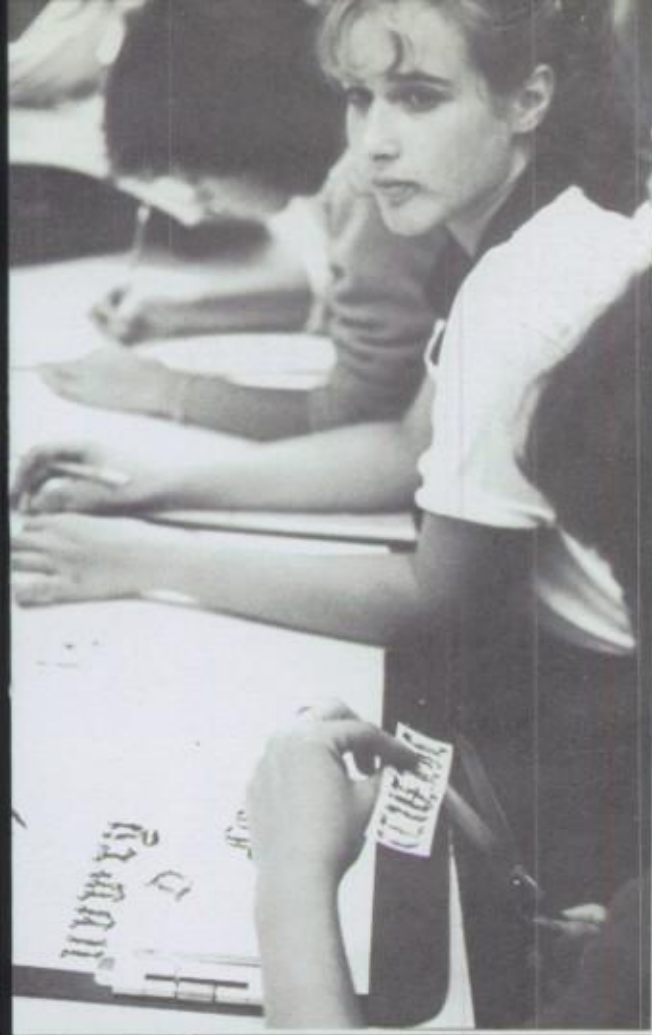

Top Right: Mrs. Diane Matthews explained the art of brass rubbing to interested students. Above Left: Organized clutter is the only way to describe the art rooms. Above Center: Freshman Nora Villamin puts the finishing touches on her painting. Above Right: Sophomore Karen Rynne found silk screen printing to her liking. Below Right: Freshmen Terry Barr and Chris Marcuse completed watercolors for the Annual Student Show which was mounted at Somerset Mall in June.

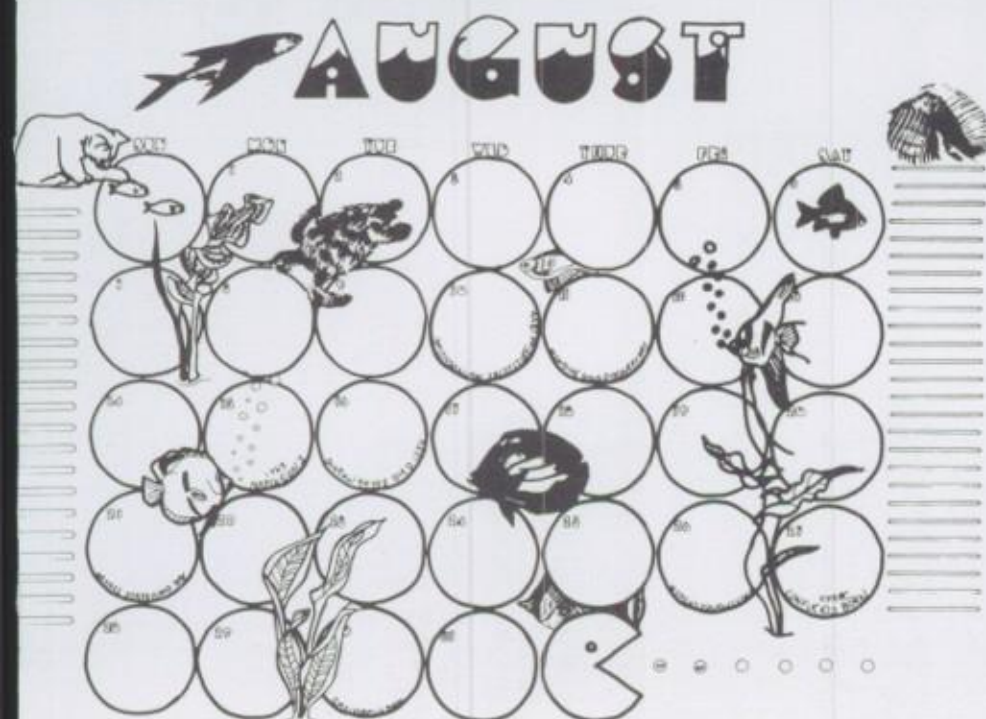

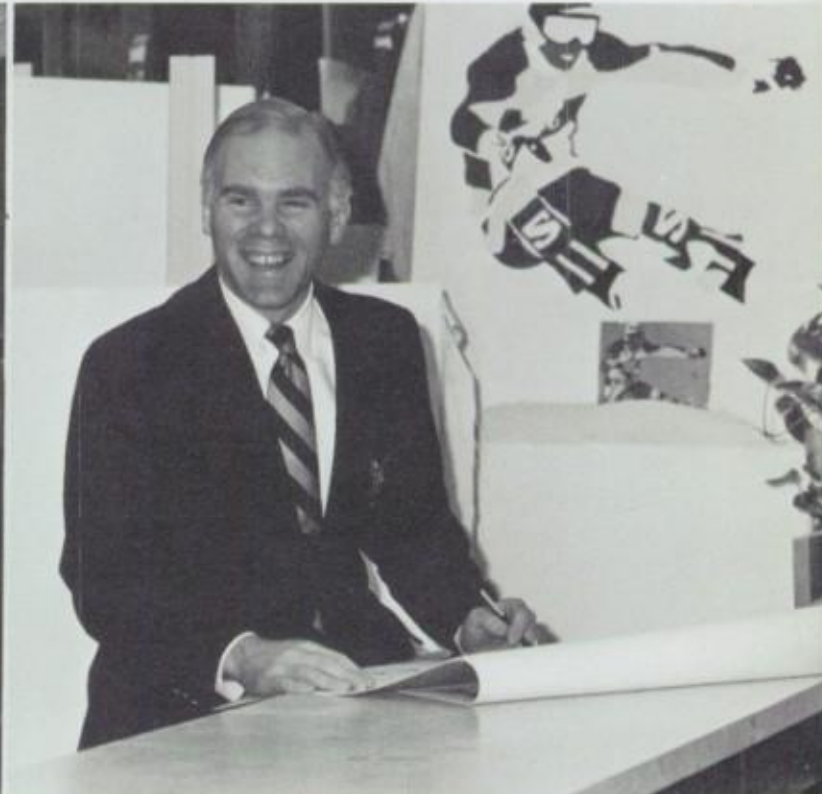

# art service club

The Art Service Club is called upon to help other clubs and departments with their signage and display needs. Many of the bulletin board decorations are completed by members of the club.

This year club members assisted the community by helping the Bloomfield Township Library with their book sale and signage needs and sponsored six exhibitions in the lobby gallery area. All of the projects afforded students the opportunity to earn service points while helping with ongoing school activities.

# ceramics

The Ceramics Club members have been busy this year on their individual projects. They progressed from simple projects to some projects that require much skill and time. The goal of all the students has been to create a project to enter the 1983 Scholastic Art Awards contest. The most distinguished award, the Blue Ribbon, was won by Candace Crenshaw. Winners of the Gold Key are Karen Collins, Sabine Ewers, Alisa Lomaz, Marinita Timban, and Jennifer Yanover. Jason Kanfer won a certificate award. Mr. Cooper has also worked with members who have never had ceramics experience.

## lapidary and animation

The Lapidary Club, under the direction of Mr. Herb Fritch, accomplished many fine projects this year. Students in the Upper School and the Middle School worked with Mr. Fritch to complete belt buckles, boxes, rings, pendants, and many other fine projects.

The Animation Club worked on several 8mm movies and video tapes in preparation for their end of the year showing of their productions. Clay animation, stick figures and combinations of many related media made the club vital and interesting. The addition of the animation class in the spring opened enrollment to more students.

## A Game

Dress up, you do  
in black and white  
turquoise and maroon.  
It's nice, that's true  
but it's off-color too.  
Off-color, just like you.  
Off-color, I might be too.

What a fun game, you think,  
it is to play  
But it's dangerous too.  
Someday, you'll have to pay.

Blame it you can,  
but only on yourself.

—Larry Delor

Shakespeare has become the symbol for the *Spectrum* page in the *Day Times*. Guided by faculty advisor, Mrs. Hannett, and editor, Louella Dizon, Detroit Country Day's annual literary publication, *Spectrum*, is published during the spring in booklet form. During the year many excellent pieces of literary work appears on its own page in the *Day Times*. The *Spectrum* has become a vehicle for our promising writers.

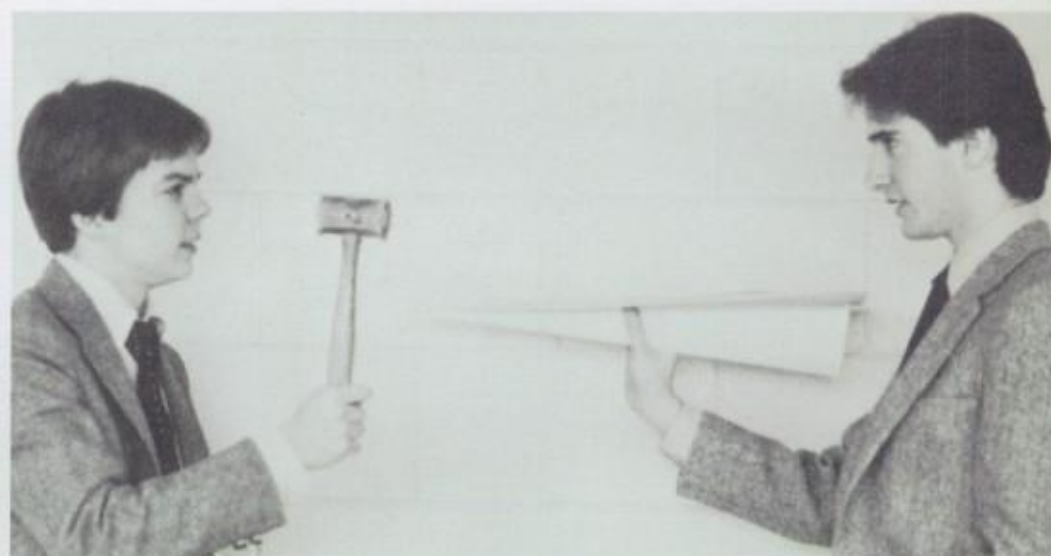

The Literary Club affords the students an opportunity to read good literature in an informal atmosphere. Before attending Stratford, Mrs. Hannett, advisor, and club members read and discuss the plays to be seen. This year, to prepare for the visiting bard, the club is reading *Rime of the Ancient Mariner*, one of the selections.

The Day Times has continued to inform and entertain students this year with a marked increase in quality with each issue. The focus this year has been to concentrate on achieving comprehensive coverage of DCDS and its students, while at the same time stressing improvement of each staff member's writing skills. The donation of a word-processing system in the fall has allowed the staff to devote more time to the more difficult tasks of publishing a newspaper. The student journalists' quest for perfection was rewarded in January with a national second place award for best school newspaper from the Columbia Scholastic Press Association. In April Todd Karr won the 1983 Michigan Interscholastic Press Association's Best Newspaper Student Award at the Michigan Interscholastic Press Association conference in Lansing.

# d.r.b. and quiz bowl

The Disciplinary Review Board was established to allow students a means of appealing administrative decisions and punishments. Headed by Mr. Morrow the Disciplinary Review Board continues to be an active force of the student government. The Board consists of six elected members, one each from the Freshman and Sophomore classes along with two from the Junior and Senior Classes.

The Quiz Bowl team participates each year in a competition where participants answer questions in various fields of knowledge. The team last year won its way to the Alma High School Quiz Bowl tournament before being eliminated. This year Mr. Jurkiewicz and the returning team feel confident that they can exceed their previous performance.

The Computer Club, though relatively young, has a substantial number of members. These students range from kids who are considered experts in computer programming to kids who would like to learn about them. Mr. Croy, the sponsor, offers much advice to all students.

# language clubs

The Language Clubs this year were very busy enlightening students to the culture of their patron countries. The French club acquired a substantial account selling many French specialties. This money will be directed to going on trips to Canada and someday, possibly, France.

The Spanish Club, under Mrs. Romero, improved their conversational skills by immersing themselves in the Spanish language and culture. They listen to Spanish music and watch slide presentations too.

The German Club, lead by Mr. Jurkiewicz, makes frequent visits to the German community of Frankenmuth. They spend much of their club time exploring the gastronomical delights of German food, especially Black Forest Cherry Cake.

The Detroit Country Day Science Fair program has proven to be one of the school's most successful activities. Every year science fair activity members enter their projects in the Detroit Metropolitan Science and Engineering Fair. In the past years Country Day has traditionally

dominated its region and usually, at least, one of the science fair students has brought home a grand award. A science project is an individual student's detailed investigation of a particular scientific phenomena. A student may pursue any of the fields of chemistry,

biology, medicine, earth and space science, zoology or botany. The student then generally must present a hypothesis backed by experimental data in the manner of professional scientists.

The Simulation Games Club plays games that simulate past historical events or sometimes imaginary ones. The club members have visited several conventions this year and have placed well. This year the game *Risk* has displaced the favorite of past years, *Diplomacy*, as the favorite game to be played during activity period.

# backgammon, bridge, and chess

The Chess Club was once again one of the most popular activities. It gave players of all levels an opportunity to participate. The tournament held by the club gave those members with a competitive nature the chance to show off the skills they acquired throughout the year.

Backgammon, sponsored by Mr. Morrow, has more members this year than ever before. The students involved enjoyed a leisurely activity period while improving their skills. At the end of both semesters the club holds a tournament.

Sponsored by Mr. Croy, the Bridge Club boasted a substantial increase in the number of members. The club is relatively new, but the relaxed atmosphere has attracted many students. The club is for veterans and newcomers to the game.

The 1982 Varsity Soccer team continued its winning streak this year boasting a 17-3 record. The team was led by captains Keith Wadle and Jim VanAntwerp. A strong forward line countered by an excellent defense and complemented by a hard-running midfield resulted in many one-sided games. The scoring machine was led by Rick Sutkiewicz, who was followed closely by Mark Perle. Defense was coordinated and controlled by sweeper-back Richard Bruce. The number of goals scored against DCDS was kept to a minimum due to the combined efforts of the fullbacks and goaltenders.

The hard-running midfield joined the offense and defense to create more opportunities to score. Keith Wadle, Mark Perle and Niclas 'The Swede' Ferding led the midfield. The team's success might also be attributed to the eleven seniors on the team.

The team boasted an undefeated and tieless record until the Lahser game in October. That game was hard played but ended in a 2-1 defeat. The team entered the state tournament ranked first in Class C and third in the area. The last game of the season, which was against Hamtramck, was very close, but Country Day lost 3-2 to a tough team that went on to win the State Championship.

Next year's team will be young but tough. Rick Sutkiewicz, Craig Taucher, David Levine, Cam Farah and Keith Duncan will return to lead the team in hopes of recapturing the state championship.

The 1982 football team went 5-0 in league play and claimed the Metro Conference. Key games were played against Orchard Lake St Mary's in the Silverdome in a 23-6 thriller and Luthran North for the championship game in a 42-30 victory. The Headmaster's Cup remains at DCDS again this year after our annihilating Liggett in a 44-9 game. In out-of-league play the team won three and lost one. The 8-1 overall record is the best in Country Day history. Coaches Joe D'Angelo, Chuck Schmidt and Don Corwin were very happy with the team's performance.

Individual offense statistics were the key to the team's success. Leading the seniors was Chris Mazur who had 124 runs for 1049 yards for an 8.46 average. Quarterback George Clark had an exceptional season with 71 completions for 1127 yards and 11 touchdowns. Captain Troy Hudson who was moved from quarterback to receiver and running back had a great season at both positions. He had an average of 5 yards per carry and 19.83 yards per catch. Troy finished the season with 11 touchdowns. Other seniors who led the offense were Captain Hiram Jackson, Norman Berry, Jeff Thompson, Tom Kendro and Gary Mason.

Junior Chuck Adams had 32 catches, 509 yards, 15.91 yards per catch, and 6 touchdowns during the season. Other contributing juniors were Wade Haddad, John Collins, Doug Howell, Al Rubin, John Ivanko and Craig Salsberry. We can look forward to great play from sophomores Ted Pulling, John Smith, Craig Orlando, Reggie Holmes, Tim Conway, Roger Stevenson, Byron Pitts, and Eric Clark.

The defense was led by Hiram Jackson who set a record with 105 tackles and two interceptions for the season. Close behind Hiram was Chris Mazur with 94 tackles and 4 interceptions. The defense kept its opponents to a record low of 100 points with an average of 11.11 points per game. We have high hopes for next year's returning players.

Several of our players in the finals included: Liz Lerner, number two singles; Tracey Drake, number three singles; Eva Mendelsohn, number four singles; and Michelle Gandy and Stephanie Parkinson, number three doubles. ## Varsity Field Hockey Full of New Talent

With only four returning varsity players, the 1982 Varsity Field Hockey team developed new talent. The team was led by captains Jennifer Andrews and Julie Ninowski, both exceptional players. The team was composed of four seniors, two juniors, seven sophomores, and Karen Yuille, the only freshman.

The team ended up with a record of 6-7-5. Kate Perle led the team in scoring. The defense was led by Colleen Quinlan and goalie Karen Rynne. We look forward to an even better season next year.

The 1982 Men's Varsity Cross Country Team had a rebuilding year. Their team was led by Captains Tom Kerns and Mark Milad. Tom Kerns was named Most Valuable runner for the team. The Most Improved runner for the team was Al DiPiero. Tom Kerns and Ted Berry both qualified for the Regionals by making the All-Conference team. She also qualified for the regionals by getting third place in the Metro Conference Invitational. She

Their number three and four runners are Meher Ali and Marcie Thompson, and battling for the fifth spot were Beth Streeter, Nina Ciccolini, Lili Moossavi, and Aida Storey. ## Women's Basketball Displays Great Effort

The Women's Varsity Basketball Team ended its season with 4 wins and 12 losses. They opened their season by taking the Southfield Christian tournament. They are the first Women's Basketball Team to win a first place trophy in a tournament. The team is very young with two starting freshmen: Stacey Lineman and Lisa Perle, and three juniors: Kristi Jackson, Julie Sennett and Diane Doyle. Throughout the season they exhibited an aggressive style of basketball that will stay with them. They are looking forward to having a very successful season next year. This is a team of the future.

## Golf Strives Fore Excellence

Though not qualifying for the state tournament this year, the 1982 golf team certainly maintained the fine winning tradition associated with the Country Day Golf Team. The dual meet record was 7-5-1, and they played mostly against Class A and B teams. The highlight of the year had to be the team's excellent 2nd place finish in the Oakland County Tournament, a 43 team event. Rob Nagle, the captain of the team, received first Team All-Area, All-County, and All-State honors. Aaron Shapiro's fine play led him to second Team All-Area, Honorable Mention All-County, and Honorable Mention All-State Awards. ## Cheerleaders Bring Home Their Own Trophy

The sport of cheerleading has come a long way from its beginnings as an activity. The fall cheerleaders have continued the growth of the sport. They were the first squad in the history of Detroit Country Day to go to competition. In the Dynamic Cheerleading Associations competition, they had to give a 3 minute performance prefaced by a skit. Our cheerleaders' two chants, two cheers, and one mount earned them enough points to place second in Class C.

The 1983 Winter Cheerleaders did a wonderful job in raising the excitement of the crowd. The squad cheered for all of the home basketball games along with some wrestling matches and hockey games.

The new coach, Christine Johnson, added a great deal to the quality of cheering. She had previously coached at schools in Missouri, Virginia and Michigan. She believes this squad has been one of the hardest working.

This winter captains were Erica Griffis and Barbara Erdody; both did a terrific job in making the squad an energetic, cohesive group. The squad creates many of their own dance programs and mounts which add to the festivities of the games. Our cheerleaders do much to maintain the spirit of the school and teams.

## Basketball District Champions

The 1982-83 Men's Basketball Team had one of the best seasons in Country Day history. They started off by beating one of the top teams from Ohio, Cincinnati Withrow. During the season they defeated top ranked Brother Rice and upset powerful Oak Park with a last second shot by Reggie "Ice" Holmes. They also, once again, won the Metro Conference with no problems at all; they scored over 100 pts. in one of those league victories.

This team is noted for a great fast breaking offense led by floor leader Troy Hudson. The Yellow Jackets get up and down the floor quickly and effectively. They are also a very strong rebounding team led by husky 6-5 center, Chuck Adams. The key to the team is their 6-6, highly recruited, Damon Jones. He's a complete player who really excites the crowd with his spectacular dunks. The best crowd pleasing play is a quick outlet from Chuck to Troy who takes it up the court and tosses it off the glass for Damon to follow up with a slam dunk. Another star of the team is Rich Goldberg, who has been a starter for 3 years and still has one more year in school. Rich and Troy are the guards of the team and Rich is one of the top shooting guards in the area. The final starting spot belongs to Doug Howell, a junior who was named the prep player of the week early in January. Doug is a strong rebounder for his size and one of the team's most consistent scorers.

Country Day's future in basketball is very promising. One of the key players of the future is Reggie Holmes. He's an outstanding offensive player and becoming a good rebounder. Reggie Miree will also provide the team with a point guard with great potential. With these 2 sophomores along with juniors Chuck, Rich, and Doug CD's basketball future is assured.

The Varsity Hockey Team received rave reviews from both students and faculty throughout their long and tedious season. Led by coaches Lapointe, a legend in himself, and Tremblay the team overcame its youth and small size to give all teams a run, or skate, for their money. Although there were only two returning seniors on the team, they possessed tremendous talent and played extremely mature hockey. The team compiled an overall record of 17-6, suffering losses to Liggett, Culver Military Academy, and a devastating loss to Cranbrook in the State Semi-Finals.

During the season senior Jeff Rantala showed superb form and skill in his performance of goaltending. Senior captain, wing Jim Van Antwerp gave support and showed awesome hockey ability as he was a role model for the other players to follow. Swedish foreign exchange student, Niclas Ferding displayed his hockey ways as he ardently stumped the opposition's players while talking Swedish on the ice. Junior Eric Kahkonen led the team in scoring. Co-Captains John Collins and Craig Taucher gave the team inspiration throughout the season.

Coach Tremblay said about his team, "They knew they could beat anybody any day of the year. They really gave it their all." With only three seniors gone next year the team will retain most of its talented players, again being a successful hockey team.

## Volleyball Serves Up Victories

The 1982-83 Volleyball Team had a very successful season, led by senior co-captains Suzanne Alani and Kirsten Morley. The team showed its strength by defeating rivals Sacred Heart, Greenhills, and Liggett; these are teams which had not been defeated by a DCDS squad in years. Another highlight of the season was the victory over the 1981-82 Metro Conference Champions, Lutheran West. Although the team had many underclassmen, the input of these underclassmen was very significant. The seven upperclassmen led the team with their experience. Maureen O'Reilly served as the leader of the defense of the back row. Her excellent serve and spike returns saved the team many points, if not many games. Lisa Browne and Jenny Musat used their height as key spikers and blockers for the team. Betsy Thomas was an impressive competitor in all facets of the game, spiking in particular.

Captains Suzanne Alani and Kirsten Morley were the keystone to the whole team. Their superior leadership as setters kept stability in both the front and back rows. With Suzanne Alani as top point getter, with over 100 points for the season, and Kirsten Morley not far behind, one can see that they were two important factors in the team's success. No team can be successful without the leadership of a great coach; here it was Ms. Qualls. Her dedication and enthusiasm, as well as skill and strategy, reflected on the whole team and its performance. Young talent from the JV squad gives Coach Qualls great hope for the future teams.

## Swimmers Improve Their Season Again

For the third year in a row, the Varsity swim team came up with a winning record. Although the team lost valuable seniors last year, it compensated with new additions to the team. Coaches Seeger and Engler worked the team into condition and form. The team was led by captains Jenny Andrews, Eliot Kusnetz, and Hans Beyer. Jenny swam the 200 and 500 yard freestyle coming down with the fastest times on the team. Eliot swam virtually all freestyle events, concentrating on the 50 and 100 yard races. Hans was the most versatile swimmer on the team as he swam backstroke, butterfly, and freestyle. Seniors Brady Lineman, Tom Crabill, Ramin Rabbani, Jon Freeman, Harvey Roth, and Mike Ewers added much depth. Mike also dove with Peter Hyman, both proving to be the best divers the team has ever seen. Rick Macki and Larry Grey made unbelievable improvement. Rick swam the first spot in the 200 I.M., and Larry swam the 100 yard backstroke.

The season was marked by many close meets. A few meets were won or lost within six points — less than one event. Against Pontiac Northern three touch-outs determined the meet. The meet was lost by six points. The touch-outs amounted to fifteen points and each was lost within one second. On the other end of the spectrum, the squad overwhelmed teams such as Oak Park by forty points. The team has made many improvements not only in performance but in respectability.

This year's Varsity Wrestling Squad experienced a season mixed with wins and losses. They had several injuries during the year and never had a heavyweight wrestler. Freshman Ted Berry in the 98 pound weight class, Sophomore Ted Pulling in the 138 pound weight class, and Senior Captain Keith Wadle in the 145 pound weight class all gained Metro-Conference Championship titles this season. Berry, Wadle, and Pulling, along with Junior Wade Haddad in the 198 pound weight class made the All-District Team. Berry and Pulling both qualified for the States. Pulling placed fifth in his weight class at States. Berry had a 28-5 record while Pulling achieved a 27-3 record. Other solid wrestlers were Tom D'Angelo with a 21-10 record, Chris D'Angelo who gained a 16-13 record, and Tim Bach who ended this season with a 16-11 record. The highlight of the season was the dual meet in which Cranbrook was crushed by Country Day. The team honored themselves by achieving fifth place in the Districts and twelfth place in the Regionals. Coach Corwin had help from two new coaches; they were Russian wrestling champion Iosif Leynov and Middle School teacher Mr. Dowd. Both are expecting a much better record next year.

## Skiing an Uphill Battle

The 1982-83 Men's Ski Team used this season to build and strengthen their team. Under the direction of Coach Enzo DiSalvatore, the team finished the season with a record of 2-5. The skiers were led by senior captain Alex Garth, who finished with two firsts, a second, a third and a fourth place while placing fourteenth in Divisionals. Aaron Frank, the "Freshman Wonder," finished with two seconds, a third and a fourth place, and twenty-first in Divisionals. Steve Grant finished with a third, a fourth, and a fifth place for the season. Rounding off the team were skiers Jim Bennett, Allan Rubin, Tony Pavach, and Chris Stein.

The girls were led by seniors Andrea Hofley, who placed twenty-ninth in Divisionals, and Sue Stremmer, who placed thirty-second. Sophomores Tina Balian and Caryn Nessel skied well. Due to a lack of members, the girls' team was only able to win two meets. Both the men's and women's ski teams are looking forward to a solid future.

Varsity: Front Row: Sue Stremmer, Aaron Frank, Al Rubin, Alex Garth, Jim Bennett. Second Row: Michael Lim, Tina Balian, Caryn Nessel. Third Row: Steve Grant, Bill Cunningham, Rob Bial, Ken Ferris, Chris Stein.

## Lacrosse Young and Determined

The 1983 Women's Varsity Lacrosse Team was a determined but young team. They were a hard working, dedicated team who learned to play together as they grew. Their perseverance paid off as shown by their fine finish in the Midwest Lacrosse Tournament. In this tournament, at the Sauk Valley Lacrosse Camp, the girls surprised everyone. In round robin play the team won two games and lost two. The games lost, however, were only done so by one point. The team continued to improve and in the consolation bracket defeated Western Reserve 9-6 and Sewickley 3-0. These two victories gained them a 5th place finish in the tournament, which consisted of 12 teams.

Ms. Qualls again coached the varsity team. Miss Matisse and Miss Peterson were the driving force behind the young junior varsity team. Both teams were quite large this year. The varsity team consisted of twenty-eight talented girls. Outstanding performances were seen throughout the season from Ella Kazerooni, who scored a total of 34 goals, Renee Fulton who, racked up 28 goals, and Wendy Uzelac, who scored 18 goals. Carrie Schunk was this season's captain who did a fine job of leading the team. Gigi Droblas and Simone DiPiero both gained varsity positions on the team in their freshman year and did an outstanding job. This year's team also had a new goalie, Donna Greenbury, who, along with the team, worked hard all season.

Varsity: Front Row: Ken Ferris, John Fushman, Chris D'Angelo, Peter Mullen, Ray Green, Norman Berry, Chris Cherney. Second Row: Mike Stewart, Mike Reilly, Khaled Tawansy, Gary Mason, Matt Paroly, Jim VanAntwerp, Keith Wadle. Third Row: Coach Poehlman, Dave Albrecht, Keith MacKenzie, Fred Guindi, Wade Haddad, Tim Conway, Jeff Thompson, Dale Garrett.

The 1982 Varsity Lacrosse Team had a fairly successful season under the coaching expertise of Mr. Poehlman. Although its overall record wasn't impressive, the team improved greatly over the course of the season. It traveled to Canada for tournament play during the Spring break and pulled a third place overall. The latter part of the season was dedicated to the defeat of tough rivals Cranbrook and Catholic Central. Under the co-captain leadership of seniors Dale Garrett and Mike Reilly, the team rallied together in pursuit of the state championship in which the team, unfortunately, placed only third. Dale Garrett, Mike Reilly, and Fred Guindi gave the team excellent play with tremendous effort, and this earned them All-State status. Dale provided much of the offensive punch with the most goals scored while Mike gave his attack man expertise a chance to challenge the opposition's goalie. Their awesome stick handling gave little time for the other team to attack, but when they did, Keith MacKenzie, Fred Guindi, Wade Haddad, and Norman Berry were there to hold up the other end of the field on defense.

Jim Van Antwerp earned All-State second team honors. Keith Wadle, Jeff Thompson, and Khaled Tawansy also contributed significantly to the team's enormous goal creating ability. Ray Green did an outstanding job at goalie although he played most of the season while injured. The team should have a fine 1983 season with many returning players.

## Metro Conference Champs

The Women's Track Team is improving with each year. The team showed championship strength last year taking three firsts in Invitationals, one first in Metro Competition, a third in Regionals, and a fifth in States. Kristi Jackson became an All-Stater in the 100 meter hurdles. Also reaching All-State status in hurdles was Ann Vereen. The many records broken this year include Kristi Jackson and Johanna "Niipo" Salminen in high jump, surmounting the height of 5'2". Kristi Jackson also shattered the 100 hurdle record while Ann Vereen broke the 220 record. The 880 relay team, composed of Kristi Jackson, Whitney Bell, Ann Vereen, and Kandis Davis achieved victory at the Michigan State Spartan meet. The Shuttle Hurdle team, consisting of Ann Vereen, Sue Crawford, Kandis Davis, and Kristi Jackson also set a record while attending the Spartan meet. These outstanding victories helped Country Day capture first place with ease. The girls worked hard all season and were rewarded with the Metro Conference championship.

Kristi Jackson achieved many great accomplishments in the last year. She holds the Metro League record for hurdles and was named All Regional in 1981 and '82. She attended the Illinois Prep relays (five state competition) in 1982, and became a finalist in the high jump and hurdles. With all of the experience the team and Kristi has gained, they are looking forward to an even more productive season next year.

Varsity: Front Row: Kristi Jackson, Candace Crenshaw, Aida Storey, Marinita Timban, Sue Sorenson, Margie Allen. Second Row: Coach Browne, Mark Perle, Rob Centeno, Doug Matton, Al DiPiero, Brian Gimotty, Demetrio Timban, Al Rubin, Larry Delor. Third Row: Brad Dienst, Reggie Holmes, Damon Jones, Chuck Adams, Tom Kerns.

The Men's Track Team had a long and arduous season this year. Head coach Mr. Browne with assistance from Mr. Shilling, Mr. Schmitt, and Mr. Jurkiewicz, spurred the team on to a respectable dual-meet record. The team, led by senior captain Paul Cook, was very successful at the invitational, winning the Springport Invitational and placing well against strong class A and B competition.

Looking at the bright side of the season there were a number of personal accomplishments. Chuck Adams was strong in the discus event while also running in the 440 and 880 relays. Hiram Jackson also placed in the top with the shot put while leading the Baby Whale Relay. Damon Jones consistently placed well in the long jump and gave his teammates a lift running in the mile and 880 relay. Paul Cook had more than his share of points in the middle distances. The sprints were totally dominated by the superhuman agility of runner Troy Hudson. Billy Hunter gave the team much needed support in everything from the 440 to the two mile. Doug Howell threw the shot put and also was in the Baby Whale Relay. Unfortunately the low points of the season occurred when the team lost to Cranbrook and then suffered a devastating loss to Lutheran West and a loss to Hartland by one point. The team will only be losing two seniors this year, and next year's team looks very promising.

## Baseball Reclaims Metro Conference

Under the coaching of Frank Orlando, the new head coach, and assistant Tom Thompson, the varsity baseball team conquered the metro conference with a 14-6 record overall for the championship. All-conference selections were George Clark, John Collins, Rich Goldberg, and Kevin Sell. Both Rich Goldberg, hitting .420 for the year, and John Collins, setting a school record of 7 home runs, made the All-County 2nd team. Two victories stand out in their season. The team defeated South Clement, who was rated #1 in Class C, by a score of 5-3. In this game Kevin Sell pitched a 5-hitter, enabling the team to pull out an upset. They also defeated Southfield by a score of 6-2 in which Kevin Sell only allowed 2 hits.

The 1982 Junior Varsity Baseball Team, coached by Charles Fremuth, ended the season with a 4-6 record. The team's star pitcher was Bill Murner. Scott Swienckowski was a reliable hitter and a good first baseman. Infielders Jim Richmond and Dennis Rathnaw both contributed to the team's success. The team is looking forward to a superb season next year since many of the team's fine players are returning.

## Tennis Strength and Consistency

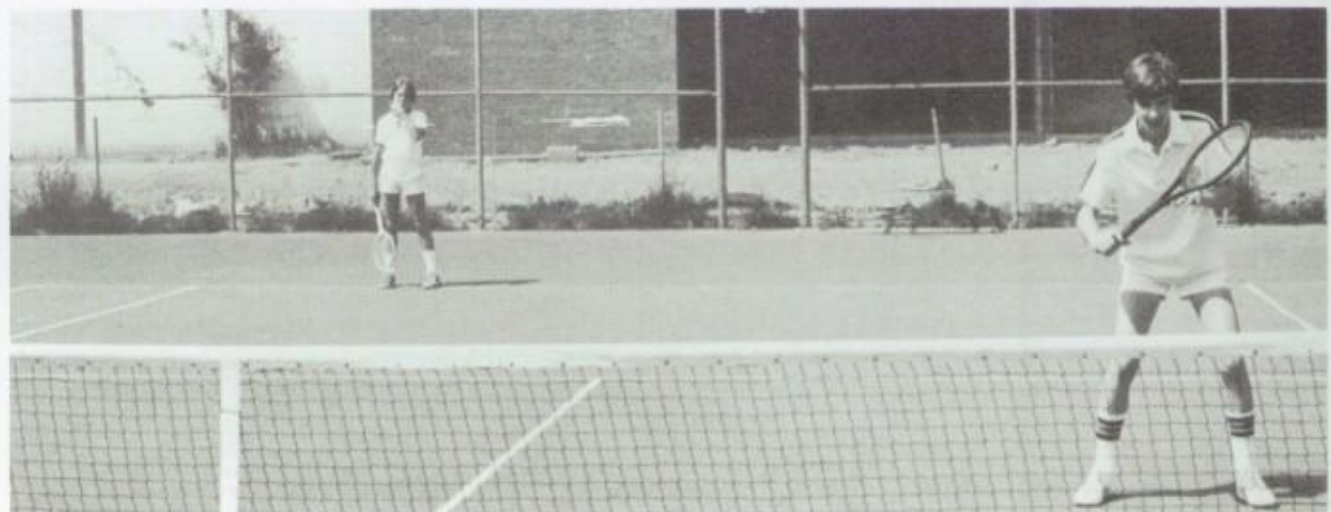

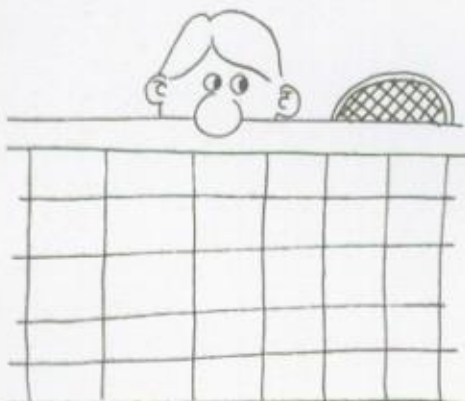

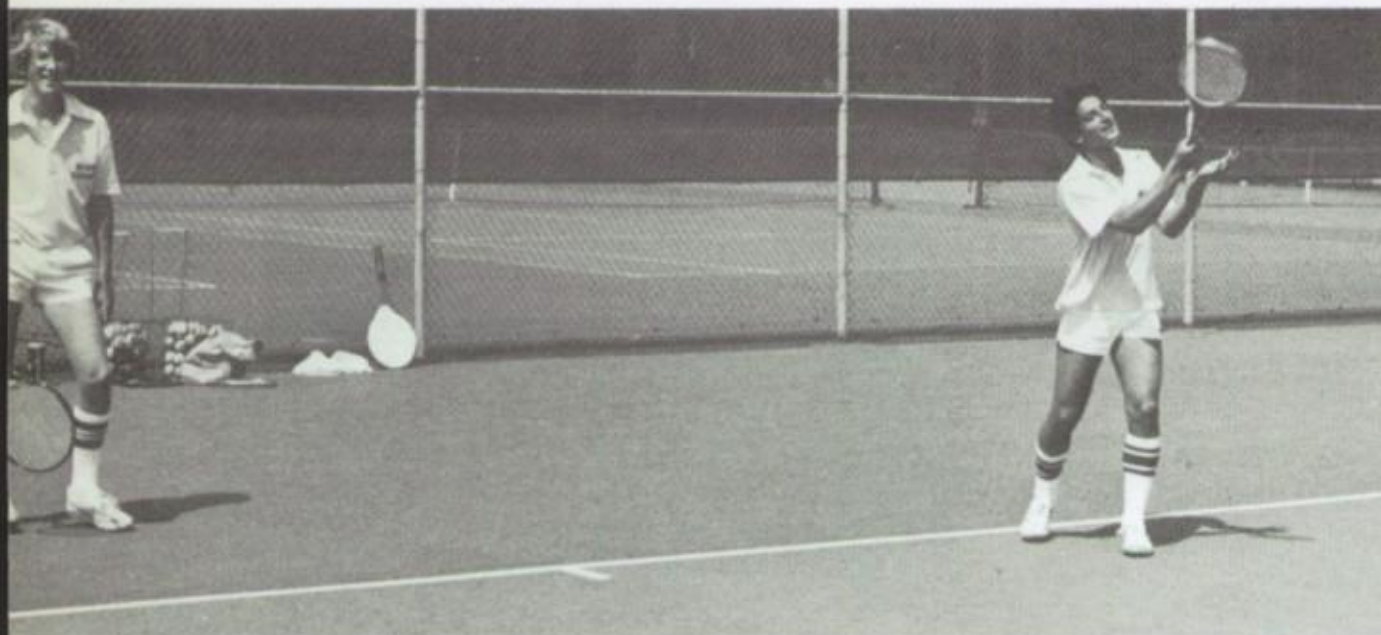

The 1982 Varsity Tennis Team enjoyed a great deal of success throughout the season. Led by seniors Carlos Moravek, playing #1 singles, Brad Goodman at #2 singles and John Davey, playing #3 singles, the team displayed a great deal of strength and consistency. Carlos and Brad were in hot competition for the #1 singles spot. Aaron Weinberg and David Jacobson played #1 doubles while Jim London and Cam Farah played #2 doubles. Number 3 doubles was played by Mike Ewers and Raamin Kashef. Coach Tremblay led the squad to a successful season. Losses occurred only to Liggett and Cranbrook, two of the best teams in the area. The team won the Rochester Tournament and came in a close second in many other tournaments.

The team was laden with talent. Brad and Carlos were the recipients of many awards for their excellent play. Rob Nagle, playing #4 singles, had a good season along with John Davey. With many underclassmen returning and a new coach at the helm, it looks like the 1983 team should be a major tennis power in the area!

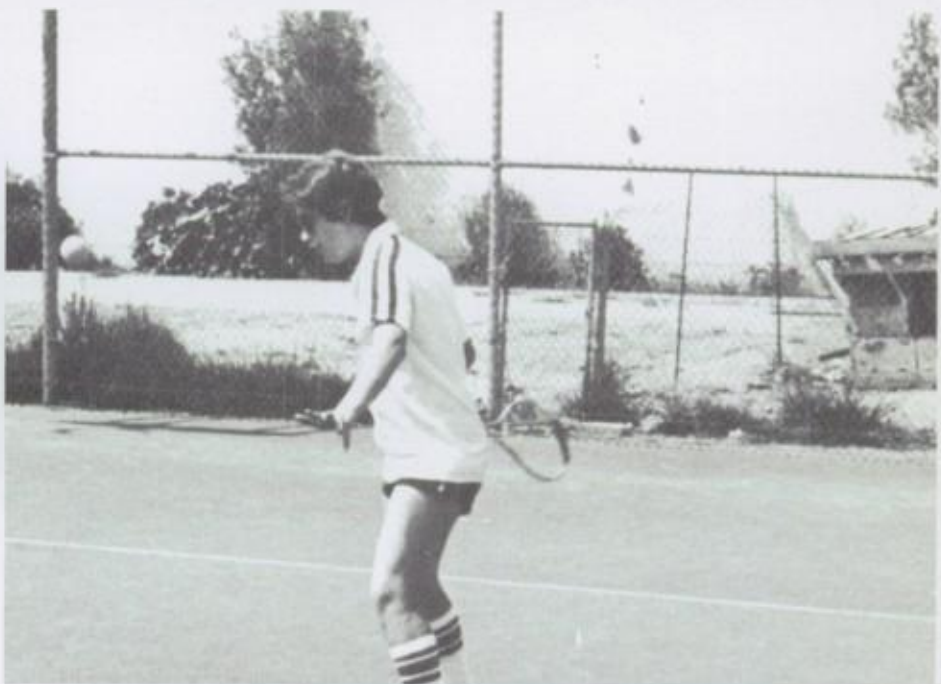

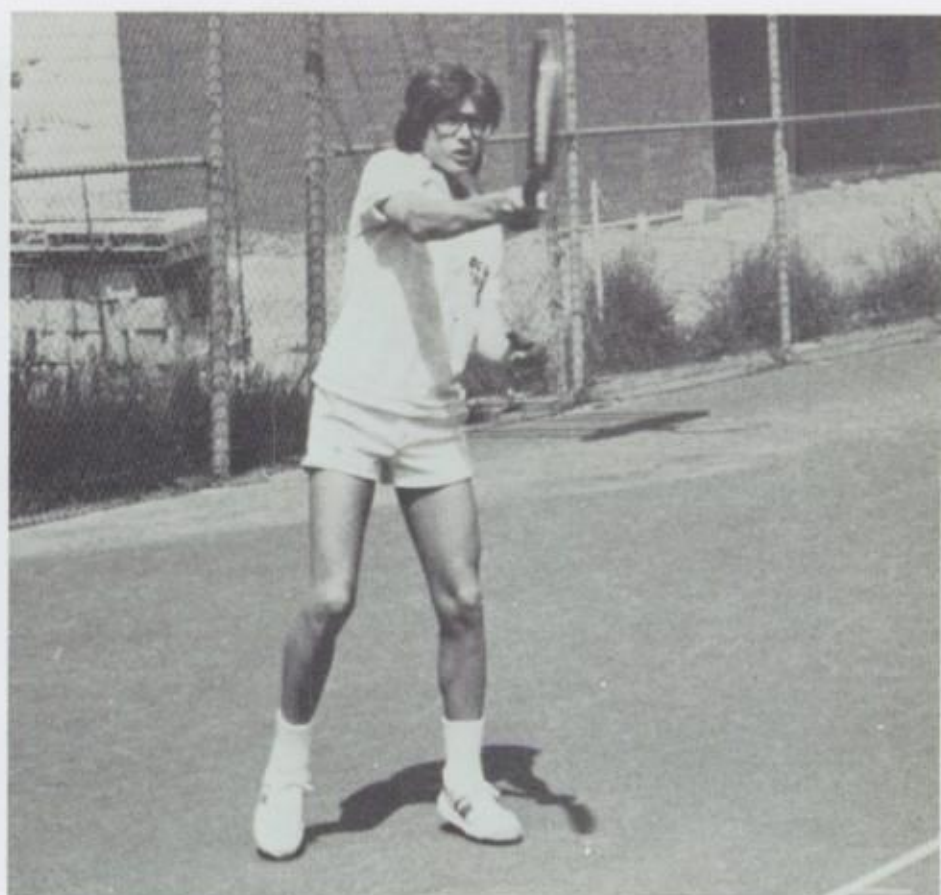

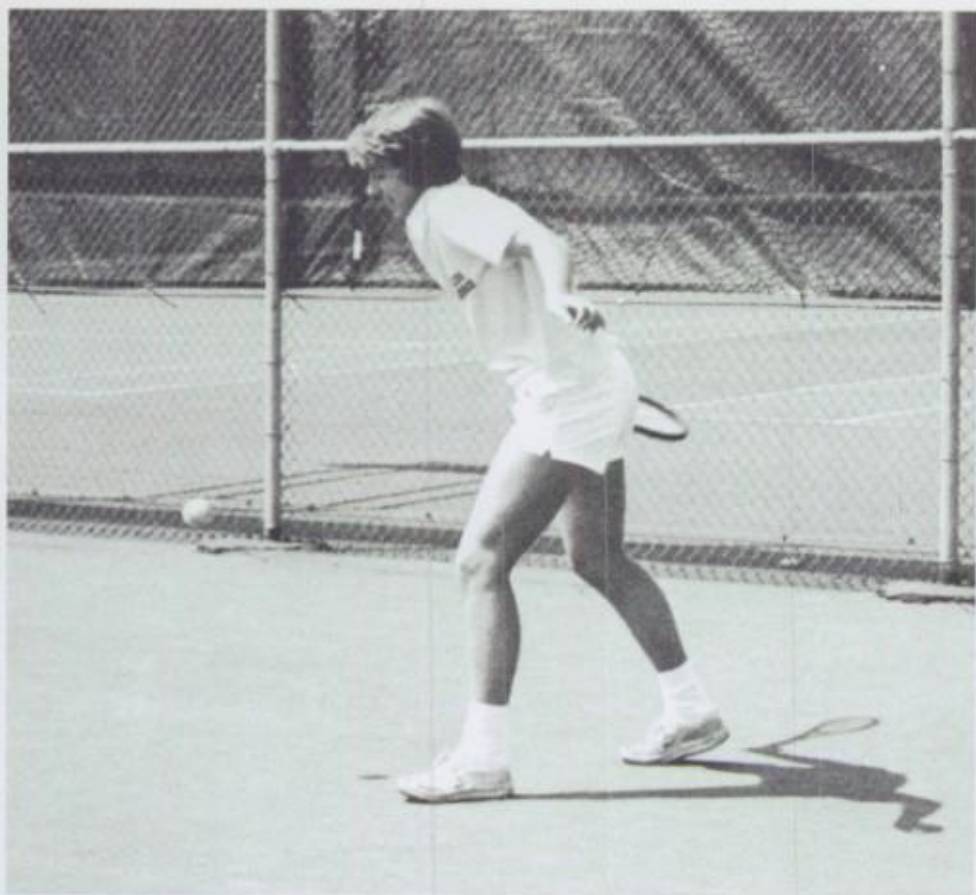

The Junior Varsity Team, led by Captain Michael Gordon, was, in Coach Brault's opinion, the best team he has ever coached. Although the team's record was below the .500 mark, they were worked hard by the coach and were in excellent shape by the season's end. The landslide victory over the Cranbrook 'C' team had to be the highlight of the season. Ashish Prasad was voted the Most Valuable Player of the team, but other leaders were Allan Kleer, Rob Grossett, and Charles Cherney. The team worked as a cohesive unit throughout the year, and many of the players will go on to be stars on the Varsity Tennis squad in years to come.

# arts and events

During the school year of 1982-83 the Middle School participated in a number of important events. These events have been summarized in this section, "Events of the Year." Starting with the fall of 1982, a welcome-back dance was sponsored for Forms III and IV. The Mother's Association teas welcomed new families to DCDS. In October the whole school gathered to celebrate Homecoming and enjoy a tail-gate picnic. Form I had fun at a fall hay ride. Forms I and II had a Halloween Party while Forms III and IV enjoyed a Halloween Dance. In early November Form IV went to Washington, D.C., and Form II experienced an outdoor extravaganza.

Late November the International Service Club had the whole school participating in a Fast Day. Many collections were given this year by important people like Dr. Buckeye. In December Grandparents' day allowed generations to be brought together. The music department proved its capability with Holiday performances. January brought a canned goods dance and reading olympics for the March of Dimes. Boys enjoyed showing off their dads at the Father-Son Breakfast.

## p.m. science club and science projects fair

Ms. Janiczek's P.M. Science Club's goal is to do scientific activities that are fun to do. This year they used chemicals to make cakes and candies. They studied the decomposition of water by the process of electrolysis. In addition, they collected and preserved leaves. The P.M. Science Club brings out the enjoyable aspects of science, and it increases the club members' awareness of the influence of science in their daily lives that is not in their books.

Right: Sanjoy Mukerjee tests for reaction. Far Right: Priya Padmanabhan and Shantanu Naik make chemical candies. Top: Glacier project real cool. Above: Heart project by Rona Wadle.

Honors Chemistry students must do an experimental project like Upper School students. Form III and IV students can compete in the junior level of the Metropolitan Detroit Science Fair at Cobo Hall. Good results are insured because the project counts as a test grade. The first prize went to Mark Redman (Form IV).

The Middle School winter season proved to be filled with excitement. All teams performed to their fullest and gave every game and match their utmost concentration and effort. Exceptional players developed their skill while students new to the game learned the fundamentals. Coach Chodun led the Hockey team to a rewarding season. His first year as a coach turned out to be a good one. The team improved their record from last year. Cheerleaders provided spirit and support for the basketball teams. They were a vital factor in helping the teams to victory. The eighth grade hoopsters had a winning season led by Coach Orlando. Mr. Bartoshuk coached the swim team to a rewarding season. His experience from coaching a Dearborn youth team was implemented into his methods at Country Day. The experience the Middlers gained this winter will be invaluable to them.

The 1982 Spring Middle School Athletic Program was unbelievably successful. Winning seasons were recorded in almost every sport. The girls' track team provided the opportunity for beginning runners to display their talent. Coach Bartoshuk billed the team as his finest. They finished fourth in the DCDS invitational. The team put in great effort and finished with a fine winning record. The boys' track team, coached by Mr. Keener, had a 3-3 record. The team broke many records led by Ted Berry in the two mile and Steve Martin in the mile. A school record was broken in the 440 relay. Despite the .500 record, the season was a success for the runners. The boys' lacrosse team came in as the State Champions for the second year. Only one game was lost and that was to St. Hugo. Coach Duggan, with many years of experience, led the team to a fantastic season. The players increased their skill as well as team statistics. The girls' lacrosse team had an undefeated season. Coaches Beardsley and Bentley tutored the girls in the art of this sport. They provided true leadership for the team. The 8th grade baseball team also had a winning season. Led by pitchers Howard Rubin and Sean Hamilton and coached by Mr. Paul, the team completed a 4-3 season. Mike Gatmaitan and Bryan Murphy were other leaders of the team. On the whole, every team proved that their talent surpassed that of their opponents.

# COMMUNITY

## *THANKS MOM AND DAD*

Most thank you's come easy, this one is from the heart. The D.C.D.S. Mothers' Association and the Dads' Blue and Gold Club are the two parent organizations that honestly care about what happens here on our campus. The Dads' Club is an integral part of the athletic program and facilities. The Mothers Association is involved in every area of our school, and they are responsible for such annual events as the Middle School Book Fair, Lower School Fashion Programs, and Upper School Visiting Artist Programs.

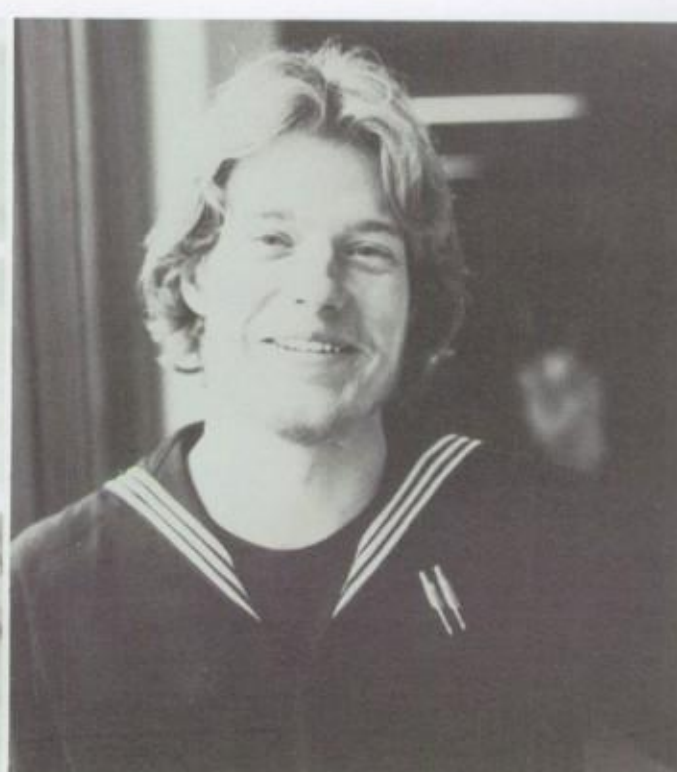

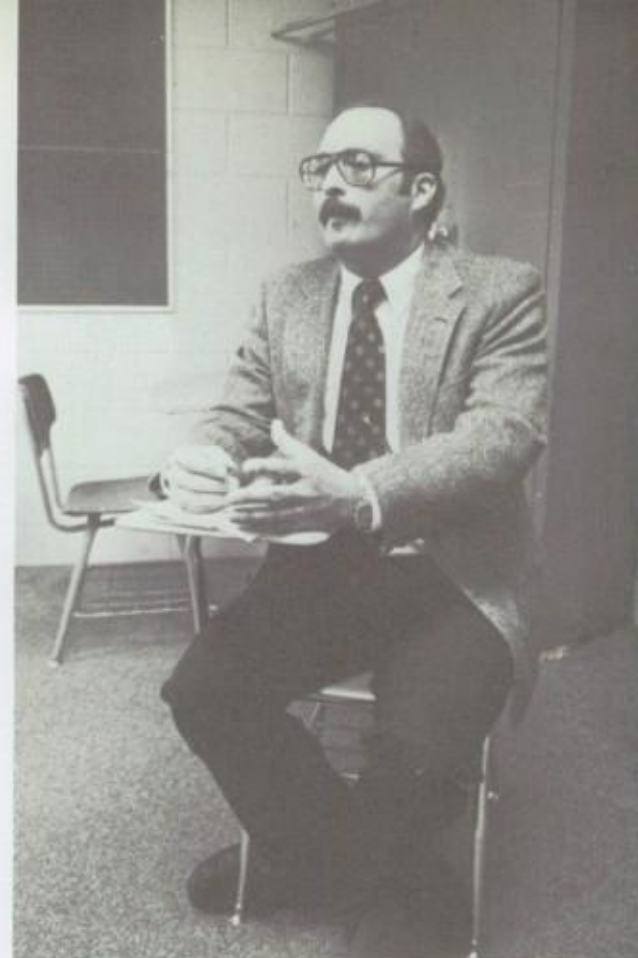

This thank you is from the heart because all the parents involved put their time and care into making Detroit Country Day School a special place for their children. Because your benevolence is never-ending, the *Blue and Gold '83* salutes you.

# building our alumni

Alumni events are special in that they bring out the sense of family in all of us. Graduates go off to college, business, or off to explore the world, but often return to relate their escapades and adventures to underclassmen and faculty. It is an honor to be a graduate of Detroit Country Day School, and it is an honor to have so many alumni return to visit us. The sense of family is quite evident, the need to share the times in our lives that have passed while apart is strong. Alumni gatherings continue to be happy, sharing events. Let's build on them!

Top Right: Dr. Harold Leach '65 returned to campus to relate his experience in medicine to interested students.

## Watching The Fords Go By.

That's right. Ford Aerospace.

Forty-seven satellites that have been successfully launched have been built by Ford Aerospace & Communications Corporation.

Soon two-thirds of all overseas communications will travel by Ford Aerospace built satellites. So will almost all intercontinental television programming.

Ford Motor Company's involvement in radio communication began in November, 1920, when the Henry Ford Wireless Station broadcast the Harding-Cox election returns to hundreds of people in Dearborn, Michigan, with their ears glued to crystal receivers.

Ford was also one of the first

industrial companies to use radio. In 1924, four Ford plants were connected by radio to four ships in its Great Lakes fleet. That system handled about 400 messages a day. The Ford Aerospace built communications satellites today process tens of millions of messages daily.

Now Ford Aerospace technology helps guide the Columbia Space Shuttle. And helped bring back pictures from Saturn. In fact, almost 1,100 of the people who work at NASA's Johnson Space Center are Ford Aerospace employees.

If it were shown separately, Ford Aerospace would rank in the Fortune 500, with sales approaching a billion dollars a year.

The sky's the limit.

This year's *Blue and Gold '83* staff was a close-knit unit. There were twenty-six editors and innumerable staff members. The all-too-often late-night work sessions made outsiders think that they were steppin' into the Twilight Zone. The highpoint of the year (some may call it the lowpoint) was on Saturday, March 5, when the yearbook staff worked all day to turn in the remaining one-hundred and eight pages to make their final deadline. Days like these were hardly a joy, but it was the cohesiveness of the staff and editors that made them seem like just minutes. Although levity was rampant, nothing inhibited the production of our yearbook. Oh, and by-the-way, all mistakes are a figment of your imagination.

# EDITORS-IN-CHIEF: FAMOUS LAST WORDS

Being the modest editors that we are, we have decided to save the best for last. We would therefore, like to bring to you our Famous Last Words, the one page that the yearbook cannot do without because we threatened to quit if we did not receive one page all to ourselves. Before you read on be sure to check out the top of pages forty-five and sixty-two. If you looked at the proper pages, you should have found the two best looking Editors-in-Chief of the yearbook. Not that this has anything to do with it, but we are also the only two Editors-in-Chief of the yearbook.

First and foremost we would like to thank all of the editors for helping to put together these two hundred and eighty-eight pages, and we would also like to apologize for being a pain in the you-know-what all year long, but we just wanted to make decisions and let you guys do all the work. We would also like to thank our assistant advisor, Mrs. Doyle, without whom the yearbook would have been done six months earlier (just kidding — five months). Our final thanks go to our advisor, Mr. Schwarzer, who has been very supportive of all of his own ideas throughout the year. As a matter of fact, if we had one nickel each for every argument we had with Mr. Schwarzer this year, then we would each be millionaires. But seriously folks, we deserve all of the credit for the yearbook, and we just thanked the others out of politeness. Actually, we're not as arrogant as this article implies; we loved arguing with Mr. Schwarzer, waiting for Mrs. Doyle, and bossing around the editors.

Whether you know it or not, every yearbook has a theme. The theme of *Blue and Gold '83* is "change." We chose change for the theme because Country Day has changed dramatically in the last few years with all of its new constructions. Our

culture has changed much recently because we are moving more and more into the Computer Age. Change, of course, is a big part of all of our lives, and we wanted to stress its importance in this year's annual.

The purpose of this page is to discuss the theme of the yearbook (for those of you not paying close attention, we just did that) and to reflect upon this past year in the senior class. The DCDS Class of '83 was a spirited and united one. The friendships that have been made throughout the years will most certainly last for a long time to come. The Country Day education has been one of great value to all of us in the senior class. Now we're ready to expand our horizons even further in college, and on behalf of the senior class, the Editors-in-Chief of *Blue and Gold '83* would like to thank Country Day for giving us the opportunity for such a fine, well-rounded education.

We spent a long time trying to think of a good conclusion to our Famous Last Words (and don't think that it's easy to follow such a nice paragraph as the last). In any case, we would sincerely (believe it or not) like to thank Mr. Schwarzer, Mrs. Doyle, and all of the editors and their staffs for giving us such a great experience as the yearbook. We hope that we have given as much to the yearbook as we have taken from it. Now you have them, our Famous Last Words. We're sure that you hope that these are our last words, period.

Thank you all once again.

*Michael Gordon*
